# THE AMAZING COLLECTION

The Bible for Women...book by Book

The Amazing Collection is the most exciting Bible study we've ever done at Woodcreek Church.... ask any of the 200 women involved in the study!

The Amazing Collection **teaches the Bible sequentially**, book by book, in an understandable, relevant and exciting way so that women can learn for life, from every book of God's Word. Whether you're new to Bible study or have studied the Bible for years, you'll find that this study helps you make sense of the Bible, from start to finish.

Each week the program gives an overview of one book in the Bible. The main characters and theme of each book come alive with dynamic teaching, original music videos and personal **testimonies**. In addition, each set contains a companion workbook to enhance the teaching and to encourage further study.

As always, our time together includes **small group discussion and prayer time**, as well as meeting as a large group to view the video teaching and review what we've learned. Homework is encouraged each week, but women can flexibly choose a "quick read" or a "complete read" to accommodate their schedules.

Whether you choose to come to the Tuesday night study or the Wednesday morning study, you'll have the **opportunity to make friends** and to connect with women around the Word of God.

Join us as we unlock many of the mysteries of the Word of God together in a fun and meaningful way!

*Year One: Genesis -- Song of Solomon*

*Year Two: Isaiah -- Acts*

*Year Three: Romans -- Revelation*

# PURSUIT!

CONNECTING TO THE HEART  
OF GOD

*"You who seek God, may your hearts live!"*

--Psalm 69:32

For those who have already completed THE AMAZING COLLECTION Bible Study, we are offering PURSUIT!

How are you doing in your **personal pursuit to connect to the heart of God?** Come be a part of this study and be taught throughout the year by three outstanding Bible teachers: Priscilla Shirer, Beth Moore and Anne Graham Lotz. You will use the Old and New Testaments as you delve deeply into such subjects as learning to listen for the voice of God in your life, knowing His heart, and voicing your own praises and petitions as a path to greater intimacy with Him.

As with The Amazing Collection, this study will utilize excellent video teaching by experienced Bible teachers, as well as **small group discussion and prayer**. Weekly homework will be encouraged in order to give opportunity for personal time in God's Word. The goal, however, is not just to fill in answers, but to fall in love with the God of the Bible and to learn what it means to pursue Him passionately.

PURSUIT! will be offered on Tuesday evenings and Wednesday mornings. Come and you will be blessed!

*Discerning the Voice of God* by Priscilla Shirer

*Stepping Up* by Beth Moore

*Pursuing More of Jesus* by Anne Graham Lotz
